An Nyong Ha Say Yo (Hello) and welcome to the Air Mobility Command Passenger Terminal, Osan Air Base, Republic of Korea. Our squadron motto is "Tip of the Spear." We derive this not only from the distinction of being the most forward deployed aerial port in the world, but also because we provide our customers with the sharpest customer service possible. The men and women of my Passenger Service Terminal are here to answer any AMC travel questions you may have and to ensure your travel is as smooth as possible. We ask that passengers with non-apparent disabilities (such as hearing impairment, asthma, or pacemakers) advise Passengers Service Agents of this disability at the time of check-in. Also, please be advised, by order of HQ AMC, tobacco may not be used on any aircraft. Below you will find helpful information to make your stay at Osan Air Base as smooth as possible.
